### Packaging Instructions and Decal Placement

**D350-588-011**

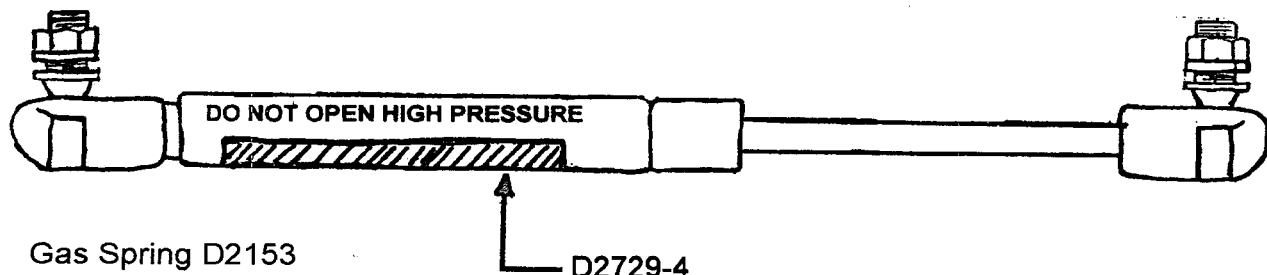

Apply label D2729-4 as per drawing below

Engineering paperwork should be on the bottom of the box, with the edges curling up both sides of the box.

All the hardware should be in a string, and any pre-bagged items should be placed directly into the box.

Do not put pre-bagged items into the string of hardware.

**NOTE: Fill all voids of box with foam to prevent movement.**

**D2729-4**

**D2729-3**
